

The Official's Son

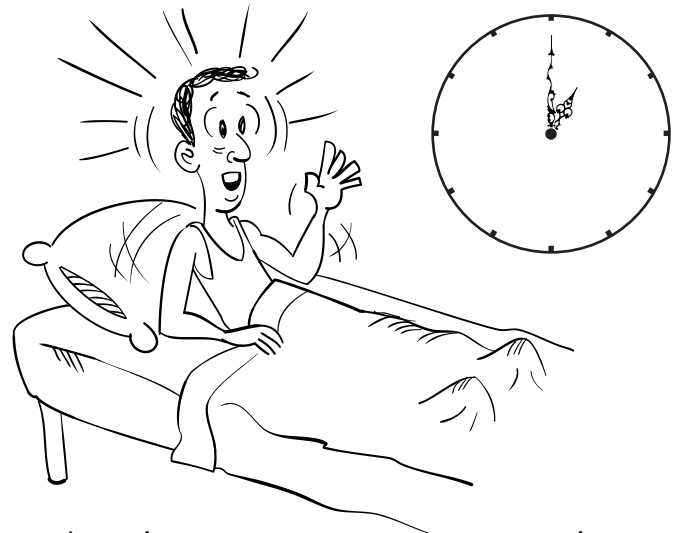

An important man's son
was dying at home

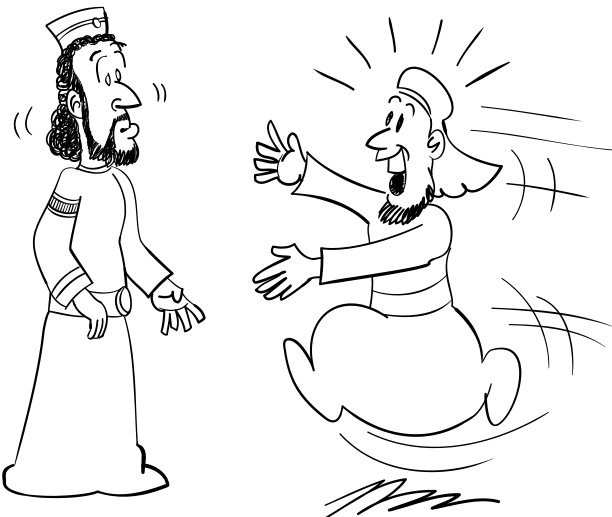

He begged Jesus
to heal him.

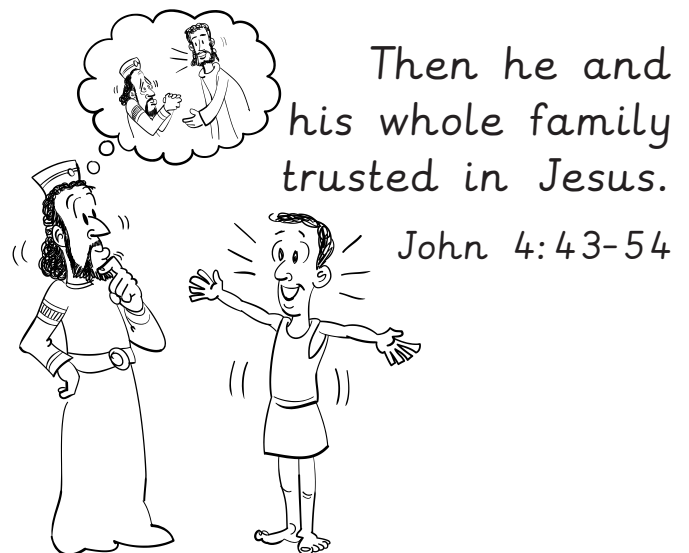

It was 1 o'clock when
Jesus said that the boy
would get better.
The man trusted Jesus'
words and went home.

At that very moment the
boy got better, but...

he didn't know this until a
servant ran to tell him.

Then he and
his whole family
trusted in Jesus.
