THE4POINTS

1.  God's love is unlimited and unconditional. He has a plan and purpose for your life; to love you and be loved by you.
2.  When we reject God by doing things our own way we are separated from His love by sin. Sin destroys relationships causing misery, pain, suffering and injustice.
3.  The punishment for sin is death and judgement - permanent separation from God and all His goodness. We deserve to die, but God's love is so great that he sent Jesus, who was without sin, to die in our place.
4.  God accepted Jesus death as full payment for our sins and raised him from the dead. If we accept our sin, ask for forgiveness and follow Him, we experience the joy of a new relationship with God, and the certain hope of eternal life. Not because we have earned it, but because Jesus died in our place.

The Missing Cup

Draw Joseph's silver cup hidden in the top of one of the brother's sacks. Colour in all the sacks to show them filled with grain and the brother's returned money.

Memory Verse

Romans 3:22-24

God puts people right through their faith in Jesus Christ. God does this to all who believe in Christ, because there is no difference at all: everyone has sinned and is far away from God's saving presence. But by the free gift of God's grace all are put right with him through Christ Jesus, who sets them free.
